RE: Home – Learning Education Plan

Dear Parents/Carers,

The school is working hard to ensure that there is a contingency plan in place should your child/ren need to self-isolate or in the event of a school closure.

We are offering the following online home-learning routes, all of which are on our new school website:

<https://www.cheddargroveschool.org.uk>

How to access Home-Learning

Click on the 'Children' tab on the new school website or follow this direct link:

<https://www.cheddargroveschool.org.uk/children/>

Learning Route 1: (EYFS- Y6) Tasks set directly by teachers

Year Group	Web links
Nursery	https://www.cheddargroveschool.org.uk/children/#home-learning-message-from-teachers
Reception	https://www.cheddargroveschool.org.uk/children/#reception
Year 1	https://www.cheddargroveschool.org.uk/children/#year-1-home-learning
Year 2	https://www.cheddargroveschool.org.uk/children/#year-2-home-learning
Year 3	https://www.cheddargroveschool.org.uk/children/#year-3-home-learning
Year 4	https://www.cheddargroveschool.org.uk/children/#year-4-home-learning
Year 5	https://www.cheddargroveschool.org.uk/children/#year-5-home-school-learning-page
Year 6	https://www.cheddargroveschool.org.uk/children/#year-6-home-learning

Each year group has been provided with an outline of tasks that could be completed whilst they are away from school. These include worksheets, projects and experiences.

Learning Route 2: (Years 1-6): Bug Club (Online Reading), Times Table Rock Star & Read Theory

<https://www.cheddargroveschool.org.uk/children/#home-school-learning>

Using these online learning platforms children can read from a selection of books, answer reading comprehensions and develop their multiplication and division skills. The username and password for all of these accounts can be found at the back of the children's reading record.

Learning Route 3: (EYFS- Year 6) Worksheets - Reading, Mathematics and SPAG

Classroom Secrets and Twinkl have waived their subscriptions in order for parents to access an extensive range of learning resources.

Use the following links to see how to access or subscribe to these sites:

<https://www.cheddargroveschool.org.uk/children/#home-school-learning>

Learning Route 4: (EYFS – Year 6)

The Robinhood Multi-Academy Trust have developed some excellent learning pathways, which they have kindly shared with schools. Should you complete the tasks set by your teacher then these would act as excellent alternative learning source.

Parents: Explanation Letter: <https://www.robinhoodmat.co.uk/learning-project-overview-parents-2/>

Learning Pathways: <https://www.robinhoodmat.co.uk/learning-projects/>

Learning Route 5: (Years 1-6) General Online Learning Resource

<https://www.cheddargroveschool.org.uk/children/#home-school-learning>

[Kodu Games Lab \(Year 5 & 6\)](#)

To access the Kodu Games Lab software and website click [here](#)

Learning Route 6: - Children who do not have access to the internet

For any children who are not able to access the internet at home we will provide an alternative paper version of some of the key tasks and activities.

Please check our website for further updates.

Best Wishes

Mr. Paul Jeffery

(Head Teacher)
