### Parking

Please could we remind parents of the importance of parking responsibly when picking up and dropping off children at school. We have observed a number of cars parked on the green or across driveways. Council and enforcement officers will be monitoring the area in the coming weeks due to high volume of complaints by neighbours and parents. Unfortunately, due to the complexity of the morning and afternoon routines we do not have sufficient staff to monitor this daily and would appreciate your support in keeping our children safe!

## Celebration Assembly (Growth Mindset Certificates)- Years 1-6

The first celebration assembly of the term will be posted on Seesaw on Friday 2<sup>nd</sup> October. Congratulations to all the children who were recognised for their hard work and achievements.

### SMART Rules

Children in Years 1-6 have been learning about the SMART rules for staying safe on the internet. These lessons will continue over the remainder of term 1 examining each of the SMART rules in turn and what it means to be a responsible digital citizen.

### Safety Update Number 4: Mobile/Smart Phones

The number of children owning or having access to mobile phones has increased significantly over the past five years in the UK. This has resulted in more children having instant access to the internet or messaging services.
