School Update: 02.07.20

The children have been really creative this week both at home and in school. We have seen some fantastic artwork, junk modelling, raps, stories and dances. Our Year 6 children have been participating in transition events both in school and at home. Over the coming weeks we will continue to look at how we can stay 'connected' as a school community, planning events including a virtual transition week, end of term assembly and holiday projects.

Wider Opening and Key Worker Children

Home-School Learning

Interactive Learning Diary (Nursery & Reception)

This week, the children have been fascinated by snails so we went on a snail hunt. We matched the shells to the pictures on our snail detective sheet. We found lots of old snail shells so we decided to make our very own snails using the shells, pine cones, seeds and clay. High levels of involvement and concentration all afternoon!

We have been directing the traffic with our road signs and keeping a tally of how many times we ride or scoot around the playground. Alfie cycled round the playground 15 times and Alice counted and made marks to represent her understanding.

We made a water slide for the ducks! Lots of problem solving to make sure the ducks didn't get stuck and to fix the water slide when it leaked!

We have been tapping, scraping and shaking our instruments along to a beat and we have learnt some new songs.

Seesaw (Y1-Y6)

Children's New Teachers for 2020/21

We aim to send a letter to parents/carers on Friday 10th July 2020 announcing next years teaching line-up and classroom organisation.

Last week of Seesaw and the Interactive Learning Dairies

In order to support preparation for the 2020/21 academic year and to ensure that we are prepared for remote learning in the event of a local or national lockdown we have decided that the last day of work on Seesaw and the Interactive Learning Diaries will be Thursday 9th July. This will enable us to move all children into their new classes ready for their virtual transition week starting the 13th of July. Mr Unsworth will send a letter to parents on Monday 6th July outlining how this will work.

Thursday 9 th July	Last day of work set on Seesaw/Interactive Learning Diaries
Friday 10 th July	Children moved into their new Seesaw classes – No Seesaw or Interactive Learning Diaries
Friday 10 th July	Letter sent home with the new teaching and learning line-up
Monday 13 th July	Seesaw re-opens with children in their 2020/21 classes
Monday 13 th July	Virtual Transition week on Seesaw for Year 1-6

Virtual Transition Events

During the week beginning the 13th July 2020 children will have the opportunity to meet their new teacher(s), ask questions and complete transition activities virtually. All virtual transition activities will take place using Seesaw. Reception children moving into Year 1 will have their Seesaw login details and support guidance sent in advance.

Virtual Sport's Day (Reception – Year 6) / 6th -10th July

A link to the Virtual Sport's Day event will be sent to parents on Friday 3rd July.

Virtual Sports Week!

House Points

House	Point Score
Delphinus	201
Lupus	226
Scorpius	201
Pegasus	173

Celebration Assembly (Year 1-6)

This week's celebration assembly will be published on Seesaw at 9am this Friday.
