Dear _____

I hope you are safe and well?

I wanted to thank you on behalf of everyone at Cheddar Grove Primary School for your hard work and dedication to the School Council during the 2019-20 academic. It is important that you understand that both your views, and that of the children you represent, really do matter and have informed decisions made on a class, school and governor level.

I know the interruption of the school year by the Covid-19 pandemic has made it difficult for you to continue your role as a School Council representative. But not even that stopped you from contributing either via face to face meetings, telephone conversations or online meetings.

To Molly and Freya, who are moving onto secondary school in September, I hope the experiences you have gained as School Council representatives prepares you for the exciting opportunities that lie ahead of you – take them with both hands and do not be afraid of failure!

For those returning School Council representatives, I have decided to extend your role until the end of term one to ensure there is consistency across the school.

On a personal level I have thoroughly enjoyed our School Council meetings. To date, I have never worked with a bunch of children so passionate about representing the views of their peers or about biscuits!

I hope you have a well-deserved summer break!

Best Wishes

Mr Unsworth
