Year 6 Secondary School Transition Information

Dear Parents/Carers,

I am writing to update you on how we are supporting the Year 6 secondary school transition process in response to the Covid-19 Pandemic, and to assure you that we are doing everything possible to ensure a smooth well-planned transition for your child.

Our transition team have been in contact with all feeder secondary schools providing them with a detailed overview of your child's social, emotional and academic progress. In addition, we have supported all requests for transition support including offering virtual meetings with our Year 6 pupils.

Children who have been identified as needing specific transition requirements have been highlighted to the secondary school and Miss Abbott, our SENDCo, has been supporting this process.

I have been assured that each secondary school will maintain contact with you during term 6 and over the summer break leading to September.

Please do not hesitate to contact us or the secondary school directly if you have any questions. I have included some additional transition information on page 2 of this letter for your reference.

Kind Regards

Mr Unsworth

(Deputy Headteacher)

Bedminster Down Secondary School Transition Week

Bedminster Down Secondary School will be hosting a virtual transition week between the 29th June and 3rd July. Taster activities will be available on their school website. Children attending school and going to Bedminster Down Secondary School will participate in the lessons. Children who are attending school but not transferring to Bedminster Down Secondary School are still expected to attend school and will be provided with an alternative secondary school transition task. Each transition tasks last 60 minutes and there is only one per day.
