A Change to Reading Books in Reception

Dear Parents/Carers,

Your child's reading books will be different this term. **This change will only affect children IN RECEPTION CLASSES.**

We are giving the children a new phonics book to match the phonics we are teaching them at school.

E.g. If your child has learnt an 'er' sound in phonics, they will have a phonics book to help them practice this sound in their reading.

- They will still come home with two books.
- One will be from bank pink, red or yellow. Your child will choose this one.
- The other will be our choice to help them practise their phonics skills.

I hope this makes sense. Please see Miss Duff or me if you have any questions.

Thank you for your support in teaching your child to read.

Kind Regards,

Mrs T. Fuller

EYFS Lead
