

19th September 2021

Dear Parents and Carers,

It has been lovely meeting and getting to know you all. We are excited about the children starting Nursery next week.

Please note, we have altered the drop off and pick up routine. See below:

Nursery Drop off

When dropping your child off in the mornings, you can enter the school through the front or the back gate. Please bring your child around to the bottom of the ramp and we will encourage the children (if they are able) to walk into the Nursery themselves.

When dropping your child off for a **12.45** start during the settling in period and every Wednesday (Cherry class), please enter the school via the back gate (Banwell Close entrance). Drop your child off at the bottom of the Nursery ramp and we will encourage them to walk in independently.

Nursery pick up

When collecting your child at **3.15**, you may enter the school via the front or back gate. Please wait in the Nursery playground until you are invited into the Nursery, walk up the ramp and into the cloakroom to collect your child's coat. Then please collect your child from their coloured group and exit via the back door to the KS2 playground. See pictures of route below.

When collecting your children at **11.30** during the settling in period or every Wednesday (Willow class) please enter the school via the **back gate** (Banwell Close entrance). Please wait in the Nursery playground until you are invited to come into the Nursery, then walk into the cloakroom to collect your child's coat. Please then collect your child from their coloured group and exit via the back door to the KS2 playground. See pictures of route below.

Banwell Close entrance for 11.30 pick-up and 12.45 drop off. This may also be used every morning and at pick up times should you wish to.

Kind Regards

Miss R Morgan
