Dear Parent/Carers,

Class 5P Update

We are writing to you to give a quick update on the situation in Year 5P.

Teaching and Learning Update

Miss Bonser has made an excellent start covering Mrs. Peasey's maternity leave. We would like to confirm that she will be remaining in this role until the end of the academic year in order to ensure consistency for the children.

Cancelled Parent/Carer Meetings

The parent/carers meetings which were cancelled in Term 5 will be re-organised for the Thursday 24th June 2021. More information will be provided shortly regarding the online booking system used for making an appointment.

Swimming

We are aware that Year 5 were unable to participate in swimming lessons whilst in Year 4 due to the pandemic. The missed swimming sessions will be re-organised for the beginning of Year 6 in order to align with the National Curriculum objective of all children swimming 50 metres.

Please contact either Mr. Unsworth or Miss Bonser should you wish to discuss anything in more detail.

Many thanks,

Mr Unsworth
Deputy Headteacher
