Having a Covid safe Easter Hols

We are all certainly in keen anticipation of a well-deserved rest over the coming school holidays at the end of what has been an action packed term. Since the 8th of March we have seen lockdown restrictions gradually eased and we are currently heading towards the governments 'second step' from 12th April.

Regarding social contact the current government guidance states that:

'The evidence shows that it is safer for people to meet outdoors rather than indoors. And this is why from 29 March, when most schools start to break up for the Easter holidays, outdoor gatherings (including in private gardens) of either 6 people (the Rule of 6) or 2 households will also be allowed, making it easier for friends and families to meet outside'.

We hope that you have a wonderful break and we look forward to welcoming you back to school on Monday 19th April.
