Home Learning

We regularly score highly in our Reading Karate daily reading competition, which is being reflected in your children's fantastic progression through the levels, well done!

As ever, please continue to support your child's daily reading at home and ensure that you record their reading so that they can achieve their karate bands.

Please also remember to continue supporting your child's mental maths skills through day-to-day activities, e.g. counting change at the shops, telling the time and using scales for cooking.

As always please feel free to communicate with us via their reading records or make an appointment through the office. Please be aware that on Wednesdays we attend staff meetings.
