Term 5

Dear Parents and Carers,

Welcome to Term 5! Thank you so much for your continued support. There are lots of exciting things to learn and do this term and so much to look forward to! We hope the children continue progressing and developing throughout the term. Please find below an outline of the term ahead so you know what to expect:

English: Based on the book '**Oliver and the Seawigs**' by Philip Reeve

- Create an island and an explorer character who visits and interacts with the island.
- Write a non-chronological report about the island.

Spellings: The children will be tested and given out new spellings on a Friday following the same scheme that is used every term. Please encourage your child to practise these at home throughout the week.

Maths: (Keep practising times tables up to 12 x 12!)

- The main topics in maths this term are decimals, money and time.
- For the first few weeks of the term we will be continuing with decimals.
- Later on in the term, the children will be introduced to money and time.
- The children will learn how to use their mathematical skills during problem solving activities.

Reading: Please can all children continue to read at least five times a week and have their reading journals signed to show this. The children will be rewarded for their progress with their Karate bands when they reach a new milestone. Many of the children have already achieved a black Karate band!

Science	Digestive system
Geography	World explorers
Languages	Spanish
Guided reading	Fiction, non-fiction and poetry
