Term 6

Cheddar Grove
Primary School

Dear Parents and Carers,

We hope you are all excited for the final term ahead!

English

We continue to study our text 'Street Child' this term. Our writing focus is to create a Victorian play script based on the events of the book but creating our own imaginative ending. Later this term, we will be writing recounts of our favourite school memories as part of our Leavers' Assembly.

Spellings

Our spelling test is every Friday. Please support your child in practising their spellings, as it will help to improve their vocabulary in writing.

Maths

For the two weeks in Term 6, we will be focusing on gaps in learning in preparation for assessment week. For the following weeks, we will be focusing on geometry and maths-based projects. BBC Bitesize always has engaging videos and activities that are useful for some extra revision of these topics.

Reading

Please ensure that your child is reading **every day** and has their reading journal signed. We encourage parents to ask their children questions based on their reading book to improve their inference and other comprehension skills.
