

Dear Children, Parents and Carers,

Welcome back to Term 5. We hope you all had a wonderful Easter break.

In English this term, our class book is 'Krindlekrax' by Philip Ridley. We will start by writing our own narrative based on this book using a range of description and figurative language. This will then lead into fact finding in order to write a non-chronological report about crocodiles.

This term we will continue learning about fractions, focusing on adding and subtracting fractions and finding fractions of an amount. We will then proceed to learn about time, where we will be looking at understanding 24 hour time and reading both digital and analogue clocks.

New for this term, we shall now be learning French across KS2. We were very impressed with how well that they were learning Spanish earlier in the year, we are very excited to see how their French progresses during the rest of this year.

As always, please encourage your child to read regularly at home. Every time they read, they get one stamp closer to their next karate band. Lots of our children have really impressed us with their love of reading and we hope this continues throughout this term.

Spellings will continue to be tested and new ones given out on a Friday.

Finally, a little reminder to keep practicing their times table facts too. In Year 3, we learn 2, 5, 10, 3, 4, and 8 times tables, but we do find the division facts tricky!

Days to remember:

02/05/22 Bank Holiday
27/05/22 INSET Day

Please feel free to book an appointment to see any of us through the office if you have any questions or concerns. You can also communicate through the reading record books at any point.
