

Varied Fluency

Step 1: Count and Write Numbers to 20

National Curriculum Objectives:

Mathematics Year 1: (1N1b) [Count in multiples of twos, fives and tens](#)

Mathematics Year 1: (1C8) [Solve one-step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays with the support of the teacher](#)

Differentiation:

Developing Questions to support counting and writing numbers up to and including 10, all numbers represented pictorially in addition to numbers and words, where some answers are provided as multiple choice.

Expected Questions to support counting and writing numbers up to and including 20, some numbers represented pictorially, numerically or as words.

Greater Depth Questions to support counting and writing numbers up to and including 20, some numbers represented pictorially, numerically or as words with mixed representations within a question.

1a. Count the cupcakes and circle the number in words.

three six seven

1 VF

1b. Count the pears and circle the number in words.

seven ten six

1 VF

2a. How many cubes are there? Circle your answer as a number and a word.

three four five

3 4 5

1 VF

2b. How many cubes are there? Circle your answer as a number and a word.

five six seven

5 6 7

1 VF

3a. Complete the pattern. Give your answers in numerals.

1 VF

3b. Complete the pattern. Give your answers in numerals.

1 VF

4a. True or false? There are ten owls.

1 VF

4b. True or false? There are six cats.

1 VF

5a. Count the apples and write the number in words.

1 VF

5b. Count the apples and write the number in words.

1 VF

6a. How many cubes are there? Write your answer as a number and a word.

1 VF

6b. How many cubes are there? Write your answer as a number and a word.

1 VF

7a. Complete the pattern. Give your answers in words.

9, ten, 11, _____, 13, _____

1 VF

7b. Complete the pattern. Give your answers in words.

eighteen, _____, 16, _____, 14

1 VF

8a. True or false? There are 11 chicks.

1 VF

8b. True or false? There are 15 frogs.

1 VF

9a. Count the oranges and write the number in words.

9b. Count the apples and write the number in words.

10a. How many cubes are there? Write your answer as a number and a word.

10b. How many cubes are there? Write your answer as a number and a word.

11a. Complete the pattern. Give your answers in words.

fourteen, 13, twelve, _____, _____

11b. Complete the pattern. Give your answers in words.

nineteen, _____, 17, _____, fifteen

12a. True or false? There are eleven frogs.

12b. True or false? There are fifteen owls.

Varied Fluency
Count and Write Numbers to 20

Developing

- 1a. **six**
- 2a. **3 - three**
- 3a. **5 and 7**
- 4a. **True**

Expected

- 5a. **thirteen**
- 6a. **16 - sixteen**
- 7a. **twelve and fourteen**
- 8a. **True**

Greater Depth

- 9a. **fourteen**
- 10a. **20 - twenty**
- 11a. **eleven and ten**
- 12a. **False, there are 12.**
